EB1004 (02/15)

ivNow-3 with optional tilt stand warms 75 liters in a 12 hour period.

MOUNTING OPTIONS

Warm fluids easily and cost effectively in every department. Flexible mounting options make ivNow well suited for the ED, OR, PACU, ICU, NICU — and everywhere in between.

Mount ivNow on regular or tilted countertop pedestal stands, heavy duty mobile equipment pole stands and mast arms, anesthesia carts, or on walls using mounting brackets.

- Total capacity: 6 bags
- Exterior size: 35.0" H; 14.5" W; 7.8" D
- Wall mount only

ivNow®

Warm fluids when and where you need them

Improve processes and recovery time by efficiently warming patients from admission to discharge. Convenient, easy-to-use ivNow® Fluid Warmers quickly heat and maintain safe temperatures of intravenous fluids while saving space and staff time.

ivNow fluid warmers record each bag's warming time to increase safety, comply with healthcare regulations and reduce waste. Save space in patient rooms, surgery centers, and labor and deliver units with these compact units. Simplify procedures by keeping fluids warm and ready to go at the point of care.

ivNow-3 with optional tilt stand warms 75 liters in a 12 hour period.
